WHO WE ARE:

OUR CHAPTER:

The Rochester Regional Chapter, (RRC), has been serving Rochester and Monroe County in Christian Fellowship for thirty-five years. In 1995, chapters across the country united to form Business Men's Fellowship USA, (BMF USA).

OUR PURPOSE:

VISION: Is to "Change the Culture of the Marketplace".

MISSION: By Impacting men for Christ, Empowering them with God's Spirit and Dedicating their lives and resources to change the world.

MISSION FOCUS:

- To help believers to be empowered with the Holy Spirit and grow spiritually.
- To provide opportunity for Christian Fellowship.
- To train and equip men to fill the great commission.
- To bring a greater unity among all people in the Body of Christ.

TESTIMONY: Is a declaration of truth confirming and acknowledging belief.

The "**Thursday Club**" meetings are set in a format around the **personal testimony** of our guest speakers from the local business community, who testify to the influence of God in their lives and their faith journey to salvation in Jesus Christ.

ANSWER: Is a bi-monthly magazine of personal accounts of men who have experienced God's presence, power and the salvation through Jesus Christ.
