

# Dunkin' Donuts

Penfield, New York

## PROJECT STATISTICS

**Client:**

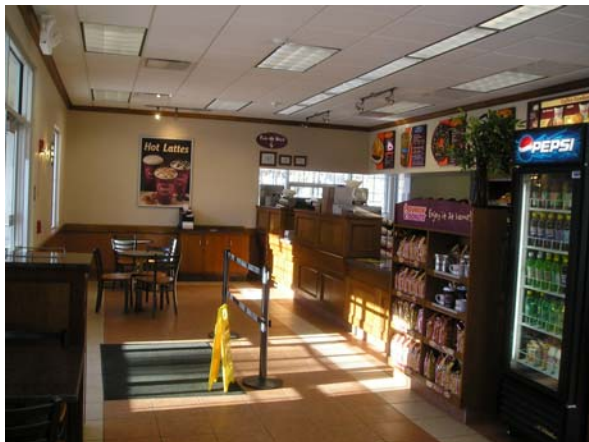

Dunkin' Brands, Inc.  
B&R Realty

**Project Cost:**

\$250,000-\$350,000

**Completion Date:**

2002-present

We provided Architectural, Engineering, and Construction services for multiple Dunkin' Donuts franchises across Monroe County. We also successfully shepherded the stores through the approval process in several municipalities. These locations included both stores owned by individuals and stores owned by Dunkin' Brands Inc.

Dunkin' Donuts is the world's largest coffee and baked goods chain. Each franchise is a one-story, wood framed, 1,500-2,500 square foot building with drive-thru capabilities.

## SERVICES PROVIDED

- Architecture Design Services
- Mechanical, Electrical Design Services
- Engineering design for site layout, access and utilities
- Planning, zoning and town board approvals
- Construction Administration Services
