

Helen Wood Hall

School of Nursing
University of Rochester
Rochester, NY

PROJECT STATISTICS

Client:

University of Rochester
Scott Ghostlaw
(585) 275-5195

Project Cost:

\$8.1 Million

Completion Date:

April 2006

Passero Associates was the civil and site engineering subconsultant to the design architect for the University of Rochester's \$8.1 million School of Nursing expansion.

A 24" storm sewer and a 10" sanitary sewer had to be relocated around the new addition.
